GUIDELINES ON THE IMPLEMENTATION OF THE JOINT DELIVERY VOUCHER PROGRAM FOR SENIOR HIGH SCHOOL TECHNICAL-VOCATIONAL-LIVELIHOOD SPECIALIZATIONS FOR SCHOOL YEAR 2022-2023

I. RATIONALE

1. Republic Act (RA) No. 10533 or the Enhanced Basic Education Act of 2013 recognizes the constitutional mandate of the State to “establish, maintain and support a complete adequate and integrated system of education relevant to the needs of the people, the country and society-at-large.”
2. RA 10533 thus directs the State to “create a functional basic education system that will develop productive and responsible citizens equipped with the essential competencies, skills and values for both lifelong learning and employment.” To achieve this, the state is further instructed to “broaden the goals of high school education for college preparation, vocational and technical career opportunities as well as creative arts, sports and entrepreneurial employment in a rapidly changing and increasingly globalized environment.”
3. Pursuant to these mandates, among the hallmarks of the K to 12 Basic Education Program is the Senior High School (SHS), which provides for a Technical-Vocational-Livelihood (TVL) Track along with three (3) other SHS Tracks, namely: Academic Track, Sports Track, and Arts & Design Track. The TVL Track has four (4) strands: Agri-Fishery Arts (AFA), Home Economics (HE), Information and Communication Technology (ICT), and Industrial Arts (IA) that offer various specializations.
4. In RA 10533, it is provided under Section 12 (Transitory Provisions) thereof that the Department of Education (DepEd), Commission on Higher Education (CHED), Technical Education and Skills Development Authority (TESDA), Technical Vocational Institutions (TVIs), and Higher Education Institutions (HEIs) shall coordinate closely with one another to implement strategies to ensure that the academic, physical, financial and human resource capabilities not only of HEIs, but also of TVIs, are utilized and not adversely affected.” In conjunction, there is a need to address transitory shortage in workshops, tools, equipment and teachers for the TVL Track in DepEd public Senior High Schools (SHSs).
5. Sec. 10 of RA 10533 (Expansion of E-GASTPE Beneficiaries) also stated that the benefits accorded by Republic Act. No. 8545, or the Expanded Government Assistance to Students and Teachers in Private Education Act, shall be extended to qualified students enrolled under the enhanced basic education. The DepEd shall engage the services of private education institutions and non-DepEd schools offering senior high school through the programs under RA 8545 and other financial arrangements formulated by the DepEd and the Department of Budget and Management (DBM) based on the principles of public-private partnership.
6. Operating on this premise, the Joint Delivery Voucher Program for Senior High School Technical Vocational and Livelihood Specializations (JDVP-TVL) promotes partnerships between DepEd and partner institutions as stipulated in RA 10533. Under this law, the invaluable contribution that the private schools have made and will make to education and the complementary roles of public and private

educational institutions are recognized towards the fulfillment of the mandate of the State to promote and make quality education accessible to all Filipino citizens. The State then undertook to provide general mechanism to maximize the use of existing resources of private education.

7. The said general mechanism under the E-GASTPE law was made more specific by the FY 2023 GAA by appropriating funds for JDVP-TVL intended to enable select DepEd public SHS students taking TVL Track to take their TVL subjects in private or non-DepEd public SHS subject to these guidelines. In addition, pursuant to Section 24 (Participating Schools), Rule VI (E-GASTPE Beneficiaries and Other Financing Arrangements with Private Educational Institutions and non-DepEd Public Schools) of RA 11936, the providers are expanded to include private TVIs, subject to the issuance of these guidelines.
8. This JDVP-TVL is designed to optimize TVL learning by allowing SHS students enrolled in public schools to avail of vouchers and take their TVL specializations in partner institutions from either private or non-DepEd public SHSs, as well as TVIs, offering their desired specializations.
9. The JDVP-TVL partners and recipient schools may now conduct in-person training and education of the select learner-beneficiaries and full in-person training and education, starting November 2, 2022 through DepEd Order No. 34, s. 2022. However, if there are situation calls for the health and safety of the learners, the schools/TVIs shall implement the provisions stated in DepEd Order No. 39, 2. 2022.
10. The Monitoring & Evaluation (M&E) conducted shows that one of the challenges encountered in the implementation of the program during the pandemic is the difficulty in finding partners, particularly in rural areas where only 80% of the participating schools have accessible JDVP partners. Thus, DepEd Order No. 04, s. 2021 was issued to allow potential JDVP partners whose locations are beyond the eight-kilometer (8 km) radius from the listed qualified DepEd public SHSs to participate in the program, provided that they meet the basic requirements, they have the capacity to provide the education and training to the JDVP-TVL learner-beneficiaries, and that they are situated within the concerned region. However, the concerned SDO has to submit a justification letter duly signed by the Schools Division Superintendent (SDS) for selecting eligible JDVP partners situated beyond the eight-kilometer (8 km) radius from the location of the identified possible partner DepEd public SHSs.

II. SCOPE AND COVERAGE

11. The JDVP-TVL Guidelines cover Grade 12 students enrolled in DepEd public SHSs under the TVL track who will be allowed to take their TVL specialization subjects in eligible private or non-DepEd public SHSs and private TVIs for School Year 2022-2023. This shall guide concerned offices in the Central Office (CO), Regional Office (RO), SDO, and schools in the program implementation.
12. These Guidelines shall likewise cover the school years subsequent to the implementation of the JDVP-TVL in SY 2022-2023, subject to such amendments or revisions that may be introduced for purposes of improving and enhancing the JDVP-TVL implementation based on the M&E data and other relevant information.

III. POLICY STATEMENT

13. The DepEd issues the Guidelines on the Implementation of the JDVP-TVL with the primary objective of enhancing the capability of DepEd SHSs to implement the TVL track through partnerships with partner institutions that are equipped with necessary resources (teachers, workshops, tools and equipment) to carry out the program. Specifically, the JDVP-TVL aims to:
 - a. enable the learners to complete their respective TVL specialization subjects through the JDVP-TVL Partners;
 - b. provide an appropriate learning environment required of the specialization; and
 - c. address delays in the provision of the necessary resources for TVL Specializations.
14. The JDVP-TVL is consistent with RA 8545, both in terms of policy and form of assistance. Under this law, the invaluable contribution that the private schools have made and will make to education and the complementary roles of public and private educational institutions are recognized towards the fulfillment of the mandate of the State to promote and make quality education accessible to all Filipino citizens. The State then undertook to provide mechanisms to maximize the use of existing resources of private education.

IV. PROCEDURES

A. Brief Description of the Program

15. The JDVP-TVL is a tuition fee assistance to Grade 12 students in DepEd public SHSs, which have been identified as having inadequate facilities, equipment, tools and teachers relevant to the implementation of TVL specializations.
16. The tuition fee assistance shall be in the form of JDVP-TVL voucher given to learner-beneficiaries to enable them to cross-enroll for the completion of TVL specializations in eligible private SHSs, non-DepEd public SHSs, or private TVIs (JDVP-TVL Partners).
17. The JDVP-TVL voucher amount shall be paid by DepEd upon its validation of billing statements submitted by JDVP-TVL Partners based on training services rendered for learner-beneficiaries.
18. Payment will be made directly to the bank account of JDVP-TVL partners and not through the learner-beneficiaries.

B. Learner-Beneficiaries

19. The beneficiaries are the Grade 12 students enrolled in the TVL Track in identified DepEd public SHSs for SY 2022-2023. The said DepEd public SHSs must be assessed and selected by their respective SDOs and ROs based on the following criteria:

- a. Have been offering SHS-TVL for the past four to five years;
 - b. Have been ascertained to have inadequate facilities, equipment, tools and teachers for any TVL specialization for the past two or three years; and
 - c. Are located in areas where there are accessible private SHSs, non-DepEd public SHSs, or private TVIs, which can provide further instructions and training to learners to complete their needed TVL competencies and skills.
20. The consolidated list of qualified SHSs shall be prepared by the Government Assistance and Subsidies Office (GASO) through a series of validation with the concerned SDOs and ROs.

C. Amount and Coverage of Vouchers

21. A JDVP-TVL voucher shall be granted to the beneficiaries in the qualified public SHSs in the amount of **twelve thousand five hundred fifty pesos (P12,550.00)** per learner-beneficiary.
22. The JDVP-TVL voucher shall cover the training costs for 320 hours per learner in any one or combination of one to four specializations taking into consideration TESDA Circular No. 12, s. 2017 and the TVL Specialization already taken. This shall cover tuition and other expenses (e.g. learning materials, consumables for the workshop, operational and miscellaneous) for the TVL training needed to complete the applicable specializations for Grade 12 and subsidy for the assessment fee.
23. The voucher subsidy for the assessment fee in the amount of Php 550.00 shall be limited to one National Certification (NC). The learner-beneficiary shall take the NC of his or her choice in any Assessment Center (AC) which must be conducted before the end of the school year. However, if the learner-beneficiary takes more than one NC or if the NC assessment fee exceeds the total cost of the assessment subsidy, the partner institution may cover the said fee, or the school-recipient may request the assistance of the LGU.
24. The JDVP-TVL Partners shall coordinate and make necessary arrangements with the AC regarding the schedule of assessment which must be considered not later than the end of the school year.
25. The total amount that may be assessed by the JDVP-TVL Partners per learner-beneficiary shall be based on the average training cost under HE, AFA, IA, ICT and the amount of the assessment fee shall not exceed Php 550.00.
