REVISED BASIC EDUCATION ENROLLMENT POLICY

I. RATIONALE

The Department of Education (DepEd), in fulfilling its constitutional mandate to provide quality and accessible basic education, has established and institutionalized a Basic Education Enrollment Policy that promotes inclusive access for learners with diverse needs and backgrounds. The aforementioned policy was issued to harmonize various enacted laws and policies.

However, implementation and policy issues have been plaguing the enrollment process, specifically issues with the collection and management of enrollment data, compromising the protection of learners' personal information, and issues with the documentary requirements. These problems ranged from learners not being registered after birth, learners losing their school records, schools losing learner documentary requirements due to disasters destroying the schools, and returning learners with a substantial gap in their educational history.

To address the gaps and further streamline the established processes within the Department, there is a pressing need for the alignment of enrollment processes and requirements with pertinent laws. These laws include the Republic Act (R.A.) No. 11909, otherwise known as the "Permanent Validity of the Certificates of Live Birth, Death, and Marriage Act." R.A. No. 11510, otherwise known as the "Alternative Learning Systems Act," and R.A. No. 10173, otherwise known as the "Data Privacy Act of 2012." Thus, this Order is issued to consolidate the various issuances on enrollment and institutionalize a basic education enrollment process to reinforce access to quality basic education.

II. POLICY STATEMENT

This Order establishes the standards and guidelines for enrollment in basic education, which ensure that all types of learners, whether school-age, out-of-school children in special cases, youth, and adults (OSCYA), shall be accepted in any public and private schools, both for formal and nonformal education, nationwide.

Further, this Order hereby allows submission of basic documentary requirements for enrollment in any public schools, and Alternative Learning System (ALS) community learning centers (CLCs), and in DepEd-recognized private schools, including state and local universities and colleges (SUCs/LUCs) offering basic education. Further, admission to

private schools and SUCs/LUCs shall satisfy other conditions that these institutions may require.

III. SCOPE OF THE POLICY

This Order shall provide guidance to school heads, the school's teaching and non-teaching personnel, parents/ legal guardians, and learners in the public and private schools regarding the enrollment process, eligibility, and documentary requirements in the registration, tagging, and enrollment-recording protocols. Further, this Order guides DepEd offices across governance levels in the implementation of enrollment policy, including the reiteration of no collection of fees and in accordance with R.A. No. 10173, its Implementing Rules and Regulations, and the National Privacy Commission's issuances on data privacy.

The procedures and standards set forth under these guidelines shall be adopted by all public and private schools in basic education, including ALS.

These guidelines shall apply starting SY 2025 – 2026 and years after.

V. EARLY REGISTRATION

Early registration is conducted to ensure all new entrants for Kindergarten, Grades 1, 7, and 11 including transferees to public schools and ALS learners for the first time are pre-registered. The process of pre-registration demonstrates new entrants' projection aiding schools in planning and resource allocation. However, participation in early registration does not guarantee official enrollment. The Basic Education Early Registration Form (Annex A) can be used by the schools during the early registration.

Elementary and secondary public school officials shall designate Early Registration Desks or Registration Centers on the school premises and non-teaching personnel who will handle registration.

Each Schools Division Office (SDO) shall coordinate with the Local Government Unit (LGU) to identify areas with a high number of potential enrollees but have schools with a low absorptive capacity.¹ The SDS shall designate a focal person (preferably the Public Schools District Supervisor) to work with the concerned Barangay Chairperson for early registration to

¹ The Second Congressional Commission on Education. (2024, November 22). *Update, Review Housing Policies to Prevent Congestion of Schools*. EDCOM2. <https://edcom2.gov.ph/update-review-housing-policies-to-prevent-congestion-of-schools/>

be done in the barangay. Likewise, SDO shall coordinate with the Local Social Welfare Development Office (LSWDO) on the registration of street children.

A. Schedule

Early registration of incoming Kindergarten learners, learners entering basic education for the first time such as OSCYA, transferees into public schools, incoming Grades 1, 7 and 11, and potential ALS learners shall be conducted from the last Saturday of January to the last Friday of February of each year or in a schedule determined by the Department. In cases of activities or unforeseen circumstances that may affect the preferential period, the Schools Division Office may extend the early registration. Incoming learners for Grades 2-6, Grades 8-10, and Grade 12 are considered pre-registered.

B. Advocacy Campaign

Early registration will provide the school and community ample time to initiate early registration campaigns targeting school-age learners, and OSCYA who may not be aware of the registration schedule due to a lack or absence of information. Specifically, information about early registration shall reach the following:

- b. Living in an Off-Grid Community
- c. Living in a Barangay Without a School
- d. Living in a Geographically Isolated Area
- e. Displaced due to Natural Disaster
- f. Children in Conflict with the Law
- g. Children in Situations of Armed Conflict
- h. Children Involved in Armed Conflict
- i. Having Chronic Illness
- j. Having Nutritional Problems
- k. Stateless/Undocumented
- l. No Longer in School but Interested in Going Back to School

C. Proof of Eligibility

As the policy adheres to the principle that all types of learners, including OSCYA, shall be accepted, conducting early registration augments this duty by ensuring that all new entrants to Kindergarten, Grades 1, 7, and 11 learners, including transferees to public schools, and ALS learners for the first time are registered. This enrollment procedure shall adhere to existing rules that govern the minimum eligibility and documentary requirements for enrollment to establish the identity of learners.

This presents the eligibility standards and means of verification to establish learner identity. **Although documents shall be required for presentation to early register learners, these documents are not subject to collection and are only for verification purposes.**

All revisions to the enclosed enrollment form and confirmation slip attached shall be issued through a Memorandum.

A. In-person Enrollment

This shall be done in schools where parents or legal guardians and/or learners can physically process the enrollment during the determined

schedule of enrollment. Moreover, in case of learners of minor age, the parents or legal guardians shall accomplish and submit the Basic Education Enrollment Form (BEEF) (attached as Annex B) together with the documentary requirements as stipulated in Section 6.b. Learners of minor age may also opt to enroll themselves, provided that their enrollment form is signed by their parent or legal guardian.

Learners of legal age may enroll themselves by submitting the duly completed and signed BEEF and other documentary requirements.

a. Instruction to Parents/Legal Guardians and Enrollees

i. *For incoming Kindergarten, Grades 1, 7, and 11*

The parents or legal guardians of incoming Kindergarten, Grades 1, 7, and 11 shall communicate/reaffirm their intent to enroll their children in the school of their choice via physical enrollment.

ii. *For incoming Grades 2-6, 8-10, and 12 Learners*

Grades 2 to 6, Grades 8 to 10, and Grade 12 learners who have existing accounts in the LIS (i.e., have Learner Reference Numbers [LRNs]) shall only be required to accomplish and submit a confirmation slip (Attached as Annex C).

iii. *For Balik-Aral Learners*

Learners who have at least a one-year gap in schooling shall only physically submit their SF 9 or report card to their school of choice.

B. Remote Enrollment

Schools shall make the enrollment form and confirmation slip available both in digital and print format. It shall also be made available on the LIS Support page.

a. Online Enrollment

This can be facilitated by filling out digital forms and sending them through the official email address of the school or any of the

available messaging platforms provided and authorized by the school.

i. *Instruction to Parents/Legal Guardians and Enrollees*

Parents/legal guardians shall fill out a digital copy of the BEEF or confirmation slip and shall be submitted through the official email address or any available messaging platform provided and authorized by the school.

Learners of legal age may enroll themselves by submitting the duly completed and signed BEEF and other documentary requirements.

Grades 2 to 6, Grades 8 to 10, and Grade 12 learners who have existing accounts in the LIS (i.e., have Learner Reference Numbers [LRNs]) shall only be required to accomplish and submit a confirmation slip through the official email address of the school or any of the available messaging platforms provided and authorized by the school.

b. Drop-Box Enrollment

Parents, legal guardians, or learners may access the printed BEEF and Confirmation Slip where the drop-boxes are deployed/situated. After such, they can fill out the forms in their homes and physically submit them through drop boxes where the drop-boxes are deployed/situated. Primarily, drop-boxes are to be situated at the school entrance/gate. However, schools may place drop-boxes in every Barangay Hall, or in any other visible location where parents, legal guardians, or learners can get access to the printed copy of the enrollment form and confirmation slip, and physically submit these accomplished forms and the listed documentary requirements.

The School Enrollment Focal Person (SEFP) shall collect or receive all submitted enrollment forms, confirmation slips, and documentary requirements. The SEFP shall turn them over to grade-level coordinators (if applicable), who shall then distribute them to prospective advisers. i. *Instruction to Parents/Legal Guardians and Enrollees*

The parents or legal guardians of Kindergarten, Grade 1, 7, and 11 learners shall communicate/reaffirm their intent to enroll their children in a school of their choice through the accomplishment and submission of the enrollment form

through the deployed/situated enrollment drop-boxes of the school. Learners of legal age may also enroll themselves through the enrollment drop box by submitting the duly completed and signed BEEF and other documentary requirements.

Grades 2 to 6, Grades 8 to 10, and Grade 12 learners who have existing accounts in the LIS (i.e., have LRNs) shall only be required to accomplish and submit a confirmation slip via deployed/situated drop-boxes. Parents or legal guardians needing assistance in filling out the enrollment forms or confirmation slip shall be assisted by the school.

IX. INFORMATION SYSTEM MANAGEMENT FOR ENROLLMENT DATA

A. LIS Encoding Protocols

a. Early Registration

All public elementary and secondary schools shall update or encode in the Early Registration Facility in the Learner Information System (LIS) using the school head or school administrator's account daily. Public elementary and secondary schools shall use printed or electronic copies of the latest BEEF to ensure that necessary information in registering incoming Kindergarten, Grades 1, 7, and 11 learners, and other data are properly captured.

b. Enrollment and Tracking in LIS

Following the same process in updating the enrollment status of learners at the Beginning of the School Year (BOSY) Encoding, the enrollment status of learners in the school's registry shall be updated based on their SF-9.

For this purpose, the class adviser shall encode collected learner data from the BEEF in the LIS.

Public and private schools, SUCs/LUCs, and PSOs shall start updating/encoding the BEEF data in the LIS BOSY module starting the first week of the opening of classes. All schools are directed to register their learners in the LIS.

To ensure timely and accurate reporting of learners' movement from one school to another, the Division LIS System Administrator or the Division Planning Officer is reminded to monitor compliance of private and public schools concerned and maintain proper utilization of LIS, particularly the Tracking System, which is

intended to monitor the physical transfer of learners. Any malicious intent/misutilization of the LIS Tracking System that results in delays or pending transfer transactions between schools shall be reported to the Office of the Schools Division Superintendent for appropriate action, in relation to DO 14, s. 2016.

The receiving class adviser/ALS teacher, through the School Head, shall request the SDO Planning Officer to verify the transferred learner's education profile and history in the LIS to avoid duplication of LRN. If the learner has no record in the system, the learner shall be provided with an LRN.

If the International school is not registered in the LIS, the receiving school shall grant the learner an LRN upon transfer acceptance.

i. *Transferring from one school to another*

Learners transferring from one school to another in the Philippines shall submit the latest SF9 (Report Card) upon enrollment.

The receiving school shall coordinate with the originating school to verify the grade level and last quarterly grade of the learner. Refer to DO 54, s. 2016 for guidelines on the request and transfer of the learner's school records. Learners who fail to submit the necessary requirements upon transferring shall be considered temporarily enrolled.

ii. *Transferred out from a private school with unsettled financial obligations*

For learners who transferred out from private schools but still have outstanding financial obligations, the receiving public school is instructed to accommodate the learners and assist the parent/legal guardian in the execution of an affidavit of undertaking. The originating private school, within thirty (30) calendar days upon receipt of electronic notification of transfer through LIS Portal – Tracking/Transfer Facility, is requested to review the validity of the request and take required action by confirming the transfer request and clicking the unsettled account check box to tag/mark in the system that the learners are Temporarily Enrolled in the current school.

iii. *Transferring from the ALS program to Formal*

The class adviser is directed to enroll the learners in LIS as soon as the latter starts attending classes. Enrollment eligibility and presentation of the minimum documentary requirements are still applicable, except for enrollment that requires an A&E Certificate of Rating/Presentation Portfolio Assessment Certificate shall be used for the incoming school year.

iv. *Transferring from Formal to ALS Program*

The ALS teacher is directed to enroll the learners in LIS as soon as the latter starts attending classes. Enrollment eligibility and the minimum documentary requirements are still applicable, except for enrollment that requires the latest SF 9, or progress report card, shall be used.

v. *Transferring within the school year*

Learners coming from other schools who enrolled in the middle of the school year shall be tagged in the system as "transferred in," while learners who were previously enrolled in the school but transferred to other schools in the middle of the school year shall be tagged in the system as "transferred out."

In special cases, learners may transfer in/out from one school to another school anytime during the school year for valid reasons such as, but not limited to, family migration, and disasters, among others.

B. Transfer of Documents

a. Transmittal of Learner School Records (SF 9 & 10)

Only schools and their authorized personnel shall transmit the learners' records, including the original or certified true copy of the PSA/NSO Birth Certificate, whether internally (e.g., between a learner's previous and incoming class adviser) or externally (i.e., between schools). Schools shall not compel learners and/or their parents/legal guardians to take responsibility for the transmission of school records. Moreover, the transfer of documents shall be accomplished **before the end of the first grading period**. For transferred-in learners during the school year, transfer of documents shall be secured thirty days (30) from the first day of their school attendance. This is in accordance with DO 54, s. 2016

or the Guidelines on the Request and Transfer of Learner's School Records.

b. Option to Transmit Electronic Format/Scanned Copy of Credential Document for Specific Grade Level

For Grade 6 graduates and Grade 10 completers who are already enrolled in Grade 7 and Grade 11, respectively, the transmission of the scanned copy of SF 9/ SF 10, together with the minimum documentary requirements or supporting documents to the receiving school is an option, provided that the request was made through the LIS Portal – Tracking/Transfer facility, as instructed in DO 54, s. 2016. The school's official email (schoolid@deped.gov.ph) shall be used in the sending/receiving of the records by both schools. The option to transmit the scanned credentials/documents through the official email, instead of sending the hard copies of the documents, is also applicable for kindergarten completers who opted to transfer and enroll in grade 1 in another school.

ALS Teachers may also use this option in sending electronic/scanned copies of Certificate of Rating/Presentation Portfolio Assessment for Elementary and Junior HS completers who enrolled in Grade 7 and Grade 11, respectively. The school/ALS teacher who receives the scanned copy of documents is hereby reminded that there is no need for the originating school to compel the submission of the physical copies of the said requirements.
