GUIDELINES ON THE IMPLEMENTATION OF THE EXPANDED CAREER PROGRESSION SYSTEM FOR TEACHERS AND SCHOOL HEADS IN THE DEPARTMENT OF EDUCATION

I. Rationale

1. The 1987 Philippine Constitution provides that the State shall enhance the right of teachers to professional advancement and ensure that teaching will attract and retain its rightful share of the best available talents through adequate remuneration and other means of job satisfaction and fulfilment.

2. Republic Act (RA) No. 4670 or the '*Magna Carta for Public Schools Teachers*' recognizes that advancement in education depends on the qualifications and ability of the teaching staff and declares it as State policy to promote and improve the social and economic status of public school teachers, their living and working conditions, their terms of employment and career prospects in order that they may compare favorably with existing opportunities in other walks of life, attract and retain in the teaching profession more people with the proper qualifications.

3. Executive Order (EO) No. 500, s. 1978 on '*Establishing a New System of Career Progression for Public School Teachers*' establishes "a system of career progression and promotion for public school teachers that attaches a premium to classroom effectiveness, and that allows teachers to remain in the classroom while advancing in stature and compensation." It also states that "[c]lassroom teachers shall be given the option of choosing alternative career lines in School Administration or in Classroom Teaching, for purposes of advancement," and that the system of career progression "shall provide for equivalence in duties, recognition, and compensation for persons choosing either career line."

4. The newly promulgated EO No. 174, s. 2022 titled, '*Establishing the Expanded System of Career Progression for Public School Teachers*' and its Implementing Rules and Regulations (IRR) authorize the creation of additional teaching ranks of Teacher IV to VII, and Master Teacher V; define the career lines of teachers within the public school system, in all levels from Kindergarten to Senior High School (SHS); and promote professional development and career advancement among public school teachers anchored on established professional standards.

5. Pursuant to RA 6758¹ or the '*Compensation and Position Classification Act of 1989*' and the Senate and House of Representatives Joint Resolution No. 4², the Department of Budget and Management (DBM) and Department of Education (DepEd) jointly issued the **DBM-DepEd Joint Circular No. 01, s. 2025** on the '*Modified Position Classification and Compensation Scheme and System of Career Progression of Teachers and School Heads in the Public Basic Education System*' to implement the modified Compensation and Position Classification System (CPCS) consistent with EO No. 174, s. 2022. It revises Chapter 6 of the '*Manual on the Position Classification and Compensation*' issued through DBM Circular Letter No. 2007-6. It likewise outlines the general guidelines on the reclassification of positions in accordance with Budget Circular No. 2018-3 on the '*Guidelines on the Reclassification of Position*'.

¹ "An Act Prescribing a Revised Compensation and Position Classification System in the Government and for Other Purposes" dated August 21, 1989

² "Joint Resolution Authorizing the President of the Philippines to Modify the Compensation and Position Classification System of Civilian Personnel and the Base Pay Schedule of Military and Uniformed Personnel in the Government, and for Other Purposes" dated June 17, 2009

6. Consistent with Section 4.3 of Budget Circular No. 2018-3 and DBM Circular Letter No. 2007-6, the DBM-DepEd Joint Circular No. 01 s. 2025 maintains that “[t]here is no distinction between the duties of one teaching position and those of other teaching positions,” and “teaching positions are classified based on the personal qualifications of the incumbents thereof rather than based on the preponderant duties and responsibilities and qualification requirements of the positions.”

7. Anchored on the principle of competency-based human resource (HR), the Civil Service Commission (CSC) approved through CSC Resolution No. 2500471 the *Amendment to the Qualification Standards (QS) for Teacher I-III, Master Teacher I-IV, and School Principal I-IV Positions and the QS for Newly-Created Teacher IV-VII and Master Teacher V Positions in the Department of Education (DepEd)*, establishing the Education, Training, Experience, and Eligibility requirements for each of the positions in the ECP System.

8. Through DepEd Order (DO) No. 42, s. 2017³ and DO No. 24, s. 2020⁴, DepEd adopted and implemented the redefined quality standards for teachers and school heads encapsulated in the Philippine Professional Standards for Teachers (PPST) and the Philippine Professional Standards for School Heads (PPSSH), respectively, taking into account the changes in the national and global educational landscape brought about by the K to 12 Reform under RA 10533⁵, the enactment of RA No. 10968⁶ or the Philippine Qualifications Framework (PQF) Act, the ASEAN Integration, globalization, and the changing character of the 21st century learners. The PPST and PPSSH articulate the professional practice expected of a quality teacher and school head, respectively, through well-defined domains, strands, and indicators that provide measures of professional learning, competent practice, and effective engagement.

9. Consistent with the State’s commitment to advancing the right of every Filipino learner to quality in basic education, DepEd remains faithful to providing merit- and competency-based career advancement to teachers commensurate to their qualifications and competence by ensuring that the system incentivizes performance and mastery in curriculum content and pedagogical approaches; thereby, promoting their welfare, work motivation, and professional growth. The implementation of the expanded system of career progression for DepEd teachers and school heads pursuant to EO No. 174, s. 2022 and its IRR, and the modification of the school staffing parameters for Master Teacher and School Principal positions as stipulated in DBM-DepEd Joint Circular No. 1, s. 2025 shall further ensure that the organization and its workforce, particularly in the schools, are able to respond to challenges and opportunities of the 21st century with focus on the delivery of quality, accessible, relevant, and liberating basic education.

10. As such, the Department hereby issues this DepEd Order on the ***Implementation of Expanded Career Progression System for Teachers and School Heads in the Department of Education***. This Order provides for the internal guidelines on the implementation of EO No. 174, s. 2022, its IRR, and the DBM- DepEd Joint Circular No. 1, s. 2025; and sets forth a systematic and competency-based process of advancement of teachers and school heads along the established career lines in classroom teaching and school administration. Ultimately, this Order is aimed at promoting professional development and career advancement of teachers and school heads anchored on the set qualifications and professional standards, ensuring that the organization retains its best talents by making sure that remuneration is commensurate with their qualifications and competencies and providing other means of job satisfaction and fulfilment.

- b. Evaluate and compute the points for Education, Training (in hours), Experience (in years), and Performance Rating of applicants using the rubrics provided in this Enclosure;
- c. Assess, deliberate, and rate the applicants' competencies on the Classroom Observable Strands/Indicators through the conduct of classroom observation following the rubrics and protocols provided in this Enclosure;
- d. Assess the applicants' competencies on the Non-Classroom Observable Strands/Indicators through the assessment of portfolio annotations and Behavioral Events Interview (BEI) in accordance with the rubrics and protocols provided in this Enclosure;
- e. Conduct other appropriate evaluative assessments, as may be necessary, such as but not limited to Written Examinations (WE) and Skills or Work Sample Tests (S/WST) to assess the applicants' potential, characteristics or traits, and fitness (i.e., Job Fit, Location Fit, and Organizational Fit);
- f. Adopt the use of online platforms and other remote modalities and alternative strategies in the conduct of paper evaluation, classroom observation/demonstration teaching, administration of the tests and examinations, BEI, meetings and deliberations, among others, as may be necessary;
- g. Inform the individual applicant of the results of the deliberation using the RFTP, wherein the applicant affixes their signature to signify their knowledge of and conformity to the process undertaken, and the points given to them;
- h. Secure a Certificate of Availability of Funds from the Budget Officer;

- i. Prepare and submit to the SDS the results of the comparative assessment for reclassification (i.e., rank list), highlighting the names of the candidates who can be accommodated for reclassification based on the available funds, teacher needs analysis, and established staffing parameters for Master Teacher positions; and
 - j. Prepare and submit the Plantilla Allocation List (PAL) based on the CAReER as approved by the SDS.
24. A majority of the HRMPSB shall constitute a quorum, provided that the Chairperson is present.
25. An Open Ranking System shall be adopted to ensure transparency in the process and results of the comparative assessment wherein applicants or subset of applicants are present to witness the actual evaluation for which the scores of all applicants present thereat shall be disclosed to all attendees. Each applicant shall also be given an opportunity to ask questions and seek clarifications on the results of their individual assessment and acknowledge their individual results during the open ranking.
26. In the event when face-to-face conduct of the comparative assessment and/or open ranking is not feasible, the HRMPSB may adopt the use of online platforms and other remote modalities and alternative strategies, as deemed practicable and applicable, in the conduct of open ranking, paper and portfolio evaluation, classroom observation/demonstration teaching, BEI, and other examinations, if any, and HRMPSB meetings and deliberations. Protocols and procedures on the adoption of remote modalities shall be detailed in the SDO Memorandum. Applicants may also be allowed to submit an electronic or scanned copy of their signed RFTP.
27. Upon receipt of their individual results, applicants shall affix their signature on their RFTP. The duly signed RFTP shall serve as acknowledgement that the applicant has undergone the application and assessment process based on these guidelines and that the results of the individual assessment have been discussed with the concerned applicant. This acknowledgment shall not, in any case, preclude the applicant from filing a protest relative to their application.
28. The HRMPSB Secretariat shall document the process of comparative assessment using the Minutes of Deliberation (*see prescribed template in Annex H*). Appeals pertaining to the individual results as well as the HRMPSB's response, resolution, and action with respect to the appeal shall be reflected in the documentation.
29. Any issue on the comparative assessment shall be resolved by the HRMPSB prior to the finalization of the results (i.e., rank list). In the event that an applicant fails or refuses to sign the RFTP, the official Minutes of Deliberations shall suffice to establish the integrity of the assessment process. Applicants with unsigned RFTP shall not, in any case, cause the delay in the finalization of the results of the comparative assessment and shall not form part of the candidates for reclassification until the issue on the assessment has been resolved.
30. After the conduct of the comparative assessment, the HRMPSB shall establish the Comparative Assessment Results for Expanded Reclassification (CAReER) (*see prescribed template in Annex I-3*) and prepare the Plantilla Allocation List (PAL), for onward submission to the SDS.

A copy of the CAReER shall be posted by the HRMO in at least three (3) conspicuous physical places in DepEd offices and schools concerned, concealing the applicants' personal information in accordance with the Data Privacy Act. The only information that shall be made public are the assigned application codes, corresponding scores obtained by the applicant in each criterion, total scores, and remarks.

All applicants shall likewise be notified of the comparative assessment results through official communication channels, such as but not limited to formal written communications, electronic mail using the official e-mail account of the office, official social media accounts, and other means of communication that can be verified, recorded, and preserved. Telephone calls

and short messaging services may be used only to accompany the aforementioned official communication channels.

31. Based on the recommendation of the HRMPSB, the SDS may designate sub-committee/s in the districts, or offices, as deemed practicable, to assist the HRMPSB in the process of comparative assessment.

The sub-committee/s, however, shall only serve as an assistorial body. The HRMPSB shall maintain full responsibility and accountability in the results of the comparative assessment, and therefore, shall be responsible in responding to queries and complaints pertaining to the comparative assessment.

32. The members of the sub-committee/s shall be selected from the pool of trained assessors who have undergone rigorous training, together with the HRMPSB, under the **Career Progression Assessors Program**, which focused on the conduct of multiple evaluation techniques in assessing the required competencies based on the criteria, parameters, and protocols stipulated in this Enclosure. Assessors shall be selected based on following criteria:

Vacant position: **Master Teacher I (SHS – Academic Track and Core Subjects) – SG 18**

Qualification Standards per CSC-approved QS

- Education : Master's degree in relevant strand/subject*
- Training : 12 hours of training relevant to the subject area specialization*
- Experience : 4 years of relevant teaching/industry work experience*

- a. Based on the minimum QS of the position applied for, the HRMPSB shall determine the baseline level for computing the points for ETE using the Increments Table as shown in Table 2.a, 2.b, and 2.c.

Minimum requirement per CSC-approved QS for Master Teacher I (SHS – Academic Track and Core Subjects)		Corresponding Level based on Increments Table
<i>Education</i>	<i>Master's degree in relevant strand/subject</i>	<i>Level 21 (based on Table 2.a)</i>
<i>Training</i>	<i>12 hours of training relevant to the subject area specialization</i>	<i>Level 2 (based on Table 2.b)</i>
<i>Experience</i>	<i>4 years of relevant teaching/ industry work experience</i>	<i>Level 9 (based on Table 2.c)</i>

For purposes of determining the baseline level, any professional or specialization units as may be required in addition to any non-Education degree shall be considered equivalent to a Bachelor's degree in Education (e.g. Bachelor's degree plus 18 professional units in Education with appropriate major = Level 6 based on Table 2.a). Additional professional and specialization units taken to earn the equivalent Education degree (i.e., BEEd, BSEd) shall not correspond to units towards the completion of a Master's degree.

- b. After determining the baseline level, the HRMPSB shall compute for the increments of the applicant's actual qualifications based on the submitted documentary requirements. *Increment* shall refer to the difference between the applicant's actual qualification level and the corresponding level of the minimum (baseline) QS requirement of the position applied for.

Only qualifications that are relevant to the position applied for and which exceed the minimum (baseline) QS requirements of the position shall be given points.

Illustrative example:

Computation of increments based on actual Education qualification of Applicant A:

Education Qualification of Applicant A	Increments from minimum (or baseline) QS requirements using Increments Table 2.a (Education)
Bachelor of Secondary Education (BSEd)	Using Table 2.a, the corresponding level of Applicant A's Education qualification (12 units for a Doctoral degree in Education) is at Level 25 .
Master of Science in Statistics 12 units for a Doctoral degree in Statistics	The number of increments for Applicant A's Education qualifications shall be computed by subtracting the minimum QS level (Level 21) from the applicant's qualification level (Level 25), as illustrated below: $\text{Applicant's Education level - QS level} = \text{Increment}$ $25 - 21 = 4 \text{ increments}$

Computation of Increments based on actual Training qualification of Applicant A:

Training Qualification of Applicant A	Increments from minimum (or baseline) QS requirements using Increments Table 2.b (Training)
24 hours training on curriculum contextualization or localization and lesson planning [January 27 to 29, 2021]	The cumulative hours of the relevant training/L&D, which are acquired within the last 5 years, shall be considered for the counting of Increments. In the case of Applicant A, the 24 hours training on curriculum contextualization or localization and lesson planning conducted on January 27 to 29, 2021 and the 40 hours National Training of Trainers of Grade 11 Science and Mathematics for the K-12 Enhanced Basic Education Program conducted on December 9 to 13, 2019 shall be considered. Using Table 2.b, the corresponding level of Applicant A's Training qualification (a total of 64 hours) is at Level 9 .
24 hours training on Financial Literacy [August 5 to 7, 2020]	
40 hours National Training of Trainers of Grade 11 Science and Mathematics for the K-12 Enhanced Basic Education Program [December 9 to 13, 2019]	The number of increments for Applicant A's Training qualifications shall be computed by subtracting the minimum QS level (Level 2) from the applicant's qualification level (Level 9), as illustrated below: $\text{Applicant's Training level - QS level} = \text{Increment}$ $9 - 2 = 7 \text{ increments}$

Computation of Increments based on actual Experience qualification of Applicant A:

Experience Qualification of Applicant A	Increments from minimum (or baseline) QS requirements using Increments Table 2.c (Experience)
Barangka National High School-SHS Teacher III – June 1, 2016 to present	Only those experience relevant to the position applied for shall be considered in the computation of increments. Relevant experience shall be reckoned from the date of first day of service. In the case of Applicant A, the relevant experience (June 1, 2016 to present) is 5 years and 1 month. Using Table 2.c, the corresponding level of Applicant A's Experience qualification (5 years and 1 month) is at Level 11 . The number of increments for Applicant A's Experience qualifications shall be computed by subtracting the minimum QS level (Level 9) from the applicant's qualification level (Level 11), as illustrated below: $\text{Applicant's Experience level - QS level} = \text{Increment}$ $11 - 9 = 2 \text{ increments}$ Note: Applicant A's date of first day as SHS Teacher III: June 01, 2016 The date of HRMPSB assessment/Open Ranking System: July 01, 2021

- c. After computing the number of increments from the minimum (baseline) QS requirement, the corresponding points earned by the applicant for ETE shall be determined using Table 3 (*Rubrics for Computation of Points for Education, Training, and Experience*).

Illustrative example:

Using Table 3 and based on the number of increments earned by Applicant A, the computation of points for ETE is as follows:

Qualification Standards			Qualification of the Applicant			Computation of Points based on Increments Table and ETE Rubrics			Total number of points for ETE
Education	Training	Experience	Education	Training	Experience	Education	Training	Experience	
Master's degree in relevant strand/subject	12 hours of training relevant to the subject area specialization	4 years of relevant teaching/industry work experience	12 units for a Doctoral degree in Education	24 hours training on curriculum contextualization or localization and lesson planning [January 27-29, 2021] 40 hours National Training of Trainers of Grade 11 Science and Mathematics for the K-12 Enhanced Basic Education Program [December 9 - 13, 2019]	Barangka National High School- SHS Teacher III – June 1, 2016 to present	4 increments Based on Table 3: 4-5 increments = 4 points (out of 10)	7 increments Based on Table 3: 6-7 increments = 6 points (out of 10)	2 increments Based on Table 3: 2-3 increments = 2 points (out of 10)	12 points (out of 30)

- d. Meeting the minimum (baseline) QS requirements for Education, Training, and Experience shall be given zero (0) points.
- e. The following general guidelines shall be observed in giving corresponding points to relevant Education, Training, and Experience qualifications:
 - i. Education units and/or degrees in multiple or different majors may be given corresponding points on a cumulative basis; provided, that the units and/or degrees earned are relevant to the position applied for; provided further, that the subjects completed are not duplicated.
 - ii. Relevant training hours earned from digital/virtual/online learning may be considered, subject to the conditions prescribed in CSC Memorandum Circular (MC) No. 3, s. 2021 (*General Guidelines on Digital/Online Learning in the Public Sector*).
 - iii. TESDA National Certification (NC) II and Trainers Methodology (TM) Certificate may be considered for non-TVL applicants; provided that the skills acquired from the training are relevant to the work, duties, and responsibilities of teachers.
 - iv. For TVL, relevant training hours may include those earned on top of the TESDA NC II and/or TM Certificate as may be required by the QS.
 - v. Relevant experience gained from part-time work of at least four (4) hours per day may be considered; provided, that the appropriate Certificate of Employment is submitted with details on the actual number of hours rendered. For purposes of giving points, the months or years of relevant experience submitted shall be transmuted to the equivalent months or years of experience based on the CSC-required eight (8)-hour per day workday or 40-hour per workweek.
 - vi. Relevant experience gained from abroad or outside the Philippines may be considered provided that the applicant submits a Certificate of Employment with proper authentication of foreign documents in accordance with the Memorandum of the International Cooperation Office dated 5 August 2019 with the subject "*Apostille Convention Takes Effect in the Philippines on 14 May 2019*". Those documentary requirements written in languages other than English or Filipino shall be accompanied by a complete English translation.
- f. Applicable provisions under Rule VIII Part I to IV of the CSC ORAOHRA shall apply in the appreciation of relevant Education, Training, and Experience qualifications and giving of points to ETE credentials.

36. **Performance.** Performance refers to the assessment of how tasks, duties, and responsibilities are carried out or accomplished by the applicant as evidenced by duly signed performance appraisal document.

- a. The PMES IPCRF rating of at least Very Satisfactory in the latest rating period covering one (1) year complete performance cycle shall be required. The points for performance shall be computed as follows:

$$\text{Points}_{(\text{Performance})} = \frac{x}{5} \times \text{WA}_{(\text{Performance})}$$

Where:

x = Performance Rating reflected in the IPCR Form
 5 = Highest possible performance rating in DepEd RPMS
 WA = Weight Allocation for Performance (30 points)

Illustrative example:

$x = 4.356$
 $WA = 30$

$$\text{Points}_{(\text{Performance})} = \frac{4.356}{5} \times 30 = 26.136 \text{ points}$$

Non-submission of performance rating/s for any reason that are not within the prerogative of the Department (e.g. issues with previous position and/or personal reasons) shall warrant zero (0) points for Performance criterion. No alternate measure shall be considered in the absence of the applicable performance rating.

37. **Classroom Observable Indicators (COI).** The teachers' demonstration of COIs shall be assessed through the conduct of the classroom observation using the Classroom Observation Tool for Recruitment, Selection, and Placement (COT-RSP), focusing on the following COT Rubric Levels to capture good performance in the corresponding PPST career stage:

- COT Rubric Levels 2 to 6 (Beginning towards Proficient) shall be used in assessing applicants to the following positions:
 - Teacher II to III
 - Teacher III (Special Science Teacher)
 - COT Rubric Levels 3 to 7 (Proficient) shall be used in assessing applicants to the following positions:
 - Teacher IV to VII
 - Teacher IV to VII (Special Needs Education Teacher I-IV)
 - COT Rubric Levels 4 to 8 (Highly Proficient) shall be used in assessing applicants to the following positions:
 - Master Teacher I and II
 - Master Teacher I and II (Special Needs Education Master Teacher I and II)
 - COT Rubric Levels 5 to 9 (Distinguished) shall be used in assessing applicants to the following positions:
 - Master Teacher III to V
 - Master Teacher III to V (Special Needs Education Master Teacher III-V)
- a. *The Classroom Observable Indicators (COI).* The selected COIs indicated in this Enclosure shall constitute the classroom observable indicators for the selection and appointment of teachers, unless otherwise modified by subsequent issuances.

They shall be comprised of trained COT assessors/observers with expertise on the learning areas/subject specialization being observed (e.g., Master Teachers in higher ranks than the position applied for, Head Teachers, School Heads, Public School District Supervisors, Education Program Specialists/ Supervisors).
- ii. There shall be two (2) to three (3) observers who will conduct the classroom observation. Observers must not be related to the applicant within the third degree of consanguinity or affinity.
- iii. Classroom observations shall be done in an actual classroom setting with learners.
- iv. In the event when an in-person/face-to-face conduct of the classroom observation is not feasible, the conduct of an online observation may be allowed, provided that the classroom observation protocols are observed.

Pre-observation:

- i. The applicant shall submit a copy of their lesson plan and instructional materials based on the identified indicators for the position applied for, for review and reference of the observers.
- ii. The sub-committee/observers shall discuss and agree on the appropriate indicator under Domain 3 should be used for assessment of each applicant based on their specific classroom context.

- iii. The observers shall review the COT Rubric and the forms to be accomplished (i.e., Observation Notes Form, Rating Sheet, and Inter-Observer Agreement Form) prior to the actual conduct of the classroom observation.
- iv. The observers shall review and familiarize themselves with the lesson plan prepared by the applicant.

Actual observation:

- i. The applicants shall be observed for the entire class period in reference to the submitted lesson plan.
- ii. Only the Observation Notes Form shall be brought and accomplished by the observers during the actual observation. The observers shall record in the Observation Notes Form their comments and observations on the applicant's performance.

Post observation:

- i. The Rating Sheet shall be accomplished individually by each observer after the actual observation. (*Note: Only the teaching demonstration shall be rated. The lesson plan and instructional materials submitted to the observers shall only serve as reference.*)
 - ii. Observers shall put on record under 'Other Comments' of the Rating Sheet and Inter-Observer Agreement Form when the applicant's demonstration of any COI falls below the desired rating of 5 for Teacher II and III; 6 for Teacher IV to TVII; 7 for Master Teacher I and II; 8 for Master Teacher III to V.
 - iii. Only the subject specialist/s shall rate Indicator 1.
 - iv. An Inter-Observer Agreement Exercise shall be done, whereby all observers discuss their reasons for the rating in each indicator. In case of different ratings, the observers shall come up with a final rating, which is **NOT** an average of their individual ratings, but a rating based on their **reasoned and consensual judgment**.
- d. *Computation of Points for the COI criterion.* The points for the PPST COIs shall be computed as follows:

$$\text{Points}_{(\text{COI})} = \frac{\text{COT rating}}{\text{Highest Possible COI Score}} \times \text{WA}_{(\text{COI})}$$

Where:

COT rating = Applicant's final rating obtained as reflected in the COT Inter-Observer Agreement Form

Highest possible score = 30 for Beginning towards Proficient (Teacher II-III, Teacher III (SST))
35 for Proficient (Teacher IV-VII, Teacher IV-VII (SNET));
40 for Highly Proficient (MT I-II, MT I-II (SNEMT));
45 for Distinguished (MT III-V, MT III-V (SNEMT))

WA = Weight Allocation for COI

Illustrative example: Vacant position: MT I (Highly Proficient)
 COT rating = 36
 Highest Possible Score = 40
 WA = 25

$$\text{Points}_{(\text{COI})} = \frac{36}{40} \times 25 = 22.5 \text{ points}$$

38. **Non-classroom Observable Indicators (NCOI).** The demonstration of NCOIs shall be assessed through the applicant's annotations on how the submitted means of verification (MOVs) from their PMES portfolio and their responses to the interview validating the actual achievement of the identified NCOIs. It shall be done through the accomplishment of the Portfolio Annotations Form (PAF) and Behavioral Events Interview (BEI).

- a. *The Non-Classroom Observable Indicators.* The selected NCOIs indicated in this Enclosure shall constitute the non-classroom observable indicators for the selection and appointment of teachers to higher teaching positions, unless otherwise modified by subsequent issuances.

- b. *The Non-Classroom Observable Indicators Assessment Tools and Forms.* The following assessment tools are designed to facilitate the assessment of applicant's demonstration of the NCOIs. These forms can be accessed through this link: <https://bit.ly/AnnexesRSAHigherTeaching>.

- i. **NCOI Annotations Form (Annex N)** is used to demonstrate how the teacher applicant exhibits each of the NCOIs by writing down annotations to the presented/submitted artifacts/MOVs from their PMES portfolio. The applicant shall narrate how the MOVs facilitated the achievement of the NCOI.
 - ii. **Rubrics for the Demonstration of NCOI through Portfolio Annotation and BEI (Annex O)** are tools used as scoring guide in assessing applicant's annotations to the submitted documentations/MOVs and applicant's responses to the interview questions.
 - iii. **Rating Sheets for Portfolio Annotation and BEI (Annex P)** are used by each assessor to indicate the rating/level attained by the applicant in each of the NCOIs.
 - iv. **Inter-Assessor Agreement Forms for Portfolio Annotation and BEI (Annex Q)** are used to indicate the collegial final rating attained by the teacher applicant in each of the NCOIs, as agreed upon by the assessors.
- c. *Protocols in Administering and Assessing the Demonstration of the Non-Classroom Observable Indicators.* Administrators and assessors of the PAF shall ensure that the following protocols are judiciously followed:

General Guidelines:

- i. The designation of sub-committee/s for the assessment of NCOIs shall take into consideration their understanding and knowledge of the PPST NCOIs, the specific tools and protocols for PAF assessment and interview, and the recruitment and selection process. Furthermore, sub-committee/s shall include subject matter experts on the specialization of the position applied for.
- ii. There shall be two (2) to three (3) assessors who will assess the applicant's demonstration of NCOIs through PAF and BEI. The assessors must not be related to the applicant within the third degree of consanguinity or affinity.

- iii. Applicants shall accomplish the PAF and undergo the BEI on the scheduled day of assessment.
- iv. Assessors shall individually rate the applicant's responses to the PAF and BEI using the Rubrics for the Demonstration of NCOIs.
- v. An Inter-Assessor Agreement shall be done whereby all assessors discuss their reasons for the rating. In case of different ratings, the observers shall come up with a final rating, which is **NOT** an average of their individual ratings, but a rating based on their **reasoned and consensual judgment**.

Portfolio Assessment:

- i. The HRMPSB shall identify a designated location, preferably a room, for applicants to accomplish the PAF. A proctor shall be assigned to discuss the instructions and oversee the process.
- ii. The PAF shall be accomplished on the spot. The submitted portfolio containing the applicant's MOVs shall be the basis of their annotations. The corresponding NCOIs in the applicant's present career stage shall be used.
- iii. The applicant shall be given at most two (2) hours to accomplish the complete set of the PAF.
- iv. In the event when an in-person/face-to-face conduct of the assessment of the demonstration of NCOI is not feasible, the applicant may accomplish the PAF online, provided that the following protocols are applied.
 - Applicants shall be scheduled for an online platform meeting (Zoom, Google Meet, etc.)
 - All applicants shall be required to keep their video/camera turned on at all times to allow the proctor to monitor the accomplishment of the PAF.
 - The PAF may be distributed through email. Applicants may submit the accomplished PAF to a designated email address.
 - The PAF may likewise be administered using online forms such as Google Form for easier collection and organization of answers; provided that the security and confidentiality of the applicants' answers are ensured and protected. When using Google Form, the 'Locked Mode' shall be enabled to prevent the applicants from opening tabs or other applications while accomplishing the PAF.
 - The PAF may also be administered using individual word processing applications prepared for each applicant. Links to the individual document shall be managed and sent individually to applicants. Download, print, and copy options shall be disabled to keep document confidentiality.
- v. Using the Rating Sheet for Portfolio Annotation, assessors shall indicate the rating attained by the applicant for each of the NCOIs in the 'Rating' column and shall use the portion 'Other Remarks' to write down statement/s that support the given rating.
- vi. Applicants who fail to submit MOV/s for any NCOIs shall automatically get a rating of zero (0) for the Portfolio Assessment component for the particular NCOI with no MOV/s, without precluding the applicant to undergo the BEI.

Interview:

- i. The conduct of the interview shall follow the procedures and protocols indicated in the RSPI Handbook Vol. 1, with the interviewers crafting their set of interview questions.
- ii. The interview shall be used to validate the applicants' responses in the PAF to further assess the demonstration of the NCOIs. It may also be used to collect complete and detailed information about the applicant and verify their credentials. The applicants' potential, characteristics or traits, and fitness shall be assessed through the interview.
- iii. The interviewers shall use the STAR (Situation-Task-Action-Results) approach to validate whether the key behaviors that are linked to the required

- competencies have been exhibited by the applicant. The STAR approach draws focus on actual **Situations** in which the applicant acted; the **Tasks** that the applicant faced; the **Actions** that the applicant took; and the **Results** of those actions.
- iv. Using the Rating Sheet for the BEI, assessors shall indicate the rating attained by the applicant for each of the criteria in the 'Rating' column. They shall use the portion 'Other Remarks' to write down statement/s that support the given rating.
 - v. Applicants who failed to submit MOV/s for any of the required NCOI shall still undergo the BEI, through which they may earn points in other components, except for the *Alignment with the NCOIs* which validates annotations to the MOV/s submitted.
- d. *Computation of Points for the NCOI Criterion.* The points for the PPST NCOIs shall be computed as follows:

$$\text{Points}_{(\text{NCOI})} = \text{PA Score} + \text{BEI Score}$$

Where:

$$\text{PA Score} = \frac{\text{Total Rating}}{\text{Highest Possible Total Rating}} \times 10$$

Total Rating = Sum of final rating obtained by the applicant as reflected in the Inter-Assessor Agreement Form for Portfolio Annotation

*Highest Possible Total Rating = 30 for Beginning towards Proficient (Teacher II-III, Teacher III (SST));
35 for Proficient (Teacher IV-VII, Teacher IV-VII (SNET));
40 for Highly Proficient (MT I-II, MT I-II (SNET));
45 for Distinguished (MT III-V, MT III-V (SNET))*

Illustrative example: Vacant position: MT I (Highly Proficient)

$$\text{Total Rating} = 33$$

$$\text{Highest Possible Total Rating} = 40$$

$$\text{WA} = 10$$

$$\text{PA Score} = \frac{33}{40} \times 10 = \mathbf{8.250 \text{ points}}$$

$$\text{BEI Score} = \frac{\text{Total Rating}}{\text{Highest Possible Total Rating}} \times 5$$

Total Rating = Sum of final rating obtained by the applicant as reflected in the Inter-Assessor Agreement Form for BEI

Highest Possible Total Rating = 12

Illustrative example:

$$\text{BEI Score} = \frac{11}{12} \times 5 = \mathbf{4.583 \text{ points}}$$

Illustrative example: Vacant position: MT I (Highly Proficient)

$$\text{PA Score} = 8.250$$

$$\text{BEI Score} = 4.583$$

$$\text{Points}_{(\text{NCOI})} = 8.250 + 4.58 = 12.83$$

39. The HRMPSB may also conduct other evaluative assessments as deemed necessary to gather additional information about the applicant in terms of other aspects such as but not limited to their potential, character, and fitness. They shall be used to provide additional information and guidance to the appointing officer/authority in selecting and prioritizing

specific positions for reclassification depending on the need. The required competencies or related to the duties and responsibilities of the position applied for shall be the basis for the development of evaluative assessment tool and rubrics. The HRMPSB may employ the expertise of subject matter experts for this purpose. Other evaluative assessments, however, do not have corresponding scores in the CAReER.

- a. Written Examination. A written examination that is standard to all applicants of the same position may be developed and administered to measure the applicant's knowledge, language proficiency, ability to present ideas, judgment, and leadership ability.
- b. Skills or Work Sample Test. This type of test may be administered to evaluate the application of skills relevant to the requirement of the position applied for (e.g. Technical-Vocational-Livelihood, SpEd, FSL). The test and evaluation rubrics shall be designed by subject matter experts as requested by the HRMPSB depending on the type of skills test required by the position applied for. Subject matter experts refer to individuals internal or external to the school/SDO where the vacancy exists, or to the Department, who have a working knowledge of the specific knowledge, skills, attitudes, and key behaviors required by the position applied for.

F. Comparative Assessment Results for Expanded Reclassification (CAReER)

40. After a judicious and objective assessment of the qualified candidates, the HRMPSB shall prepare two (2) sets of the CAReER for each teaching position, including SNET positions, in accordance with Items 41 and 42 of this Enclosure within seven (7) calendar days after all the applicants have been assessed.

41. A copy of the duly signed CAReER per position, in which candidates are listed in no particular order using application codes, shall be posted in at least three (3) conspicuous places in DepEd offices/schools concerned for a period of at least 10 calendar days, indicating the date of posting

42. Another copy of the duly signed CAReER shall be submitted to the SDS, highlighting the candidates for reclassification who meet the **cut-off score of 50 points**, ranked from highest to lowest based on the total scores obtained from the evaluative assessments. The CAReER shall be accompanied by the Plantilla Allocation List (PAL) (*see Annex R-1*), containing only the names of candidates who can be accommodated based on the cut-off score and the estimated number of slots for reclassification per position as determined based on the set parameters stipulated under Item 5 of this Enclosure.

43. The SDS shall review the CAReER and PAL ensuring equitable allocation of funding to all positions; and approve, if found in order, for onward endorsement to the Regional Director.

44. The HRMPSB shall indicate in the 'Remarks' column of the CAReER all other relevant information about the individual applicants to guide the SDS in the review and approval of the candidates to be recommended for reclassification. Specific information that may be supplied in the 'Remarks' column include but not limited to the HRMPSB's notes on the applicant's potential, job fitness, organization fitness, and location fitness.

Specific details of the teacher needs analysis particularly on the required competencies to effectively deliver the relevant content in the appropriate key stages and relevant subject or learning area specialization shall also be form part of the primary considerations. Thus, the 'Remarks' column of the CAReER shall contain the teacher applicant's information and qualifications on the following:

- a. Learning area specialization (e.g. Kindergarten or Early Childhood Education; Filipino, English, Math, Science, and other subject area specialization; SHS strand and area specialization);

- b. Knowledge and qualifications in handling learners in Alternative Learning System (ALS), Special Needs Education (SNET), Madrasah, Indigenous People's Education (IPEd);
- c. Language/s proficiency;
- d. Other specialized skills and qualifications such as but not limited to proficiency in Filipino Sign Language (FSL), knowledge on the use of assistive technology or special learning aids, among others;
- e. Place of residence (RA No. 8190, Localization Law), if applicable.

45. The CAReER for a particular position shall be valid until exhausted. All remaining candidates in the CAReER who meet the 50-point cut-off score but may not be accommodated for reclassification for current fiscal year due to limited funding shall be prioritized for reclassification in the next fiscal year. They shall be considered '*in the queue*' and shall not be required to undergo the assessment process. The reclassification of their positions shall be processed before all other new applicants can be reclassified.

46. All candidates who did not meet the 50-point cut-off score who opt to participate in the next reclassification process for the same position shall be given the option to carry over their CAReER scores and/or update their credentials without having to undergo the entire assessment process; provided, they submit a Letter of Intent and most recent performance ratings compliant with the performance requirements of the position applied for.

47. All candidates who may not be accommodated for reclassification, including those who did not meet the cut-off score, are not precluded from applying to any vacant position, subject to applicable RSA Guidelines.

Should they opt to apply to an equivalent vacant teaching position, candidates shall be allowed to carry over their CAReER scores and/or update their credentials without having to undergo the entire assessment process; provided, they submit a Letter of Intent and updated performance ratings compliant with the performance requirements of the position applied for.

48. Queries and/or clarifications of the applicants pertaining to the process and result of the comparative assessment shall be lodged to the HRMPSB within five (5) calendar days from the date of posting of the CAReER; and shall be responded to, in writing, by the HRMPSB within three (3) to seven (7) calendar days upon receipt of the query and/or clarification. Notwithstanding the existence a query and/or clarification including any pending resolution pertaining to such, the process of reclassification shall proceed without delay.

- a. **Qualified (Q)** refers to those who meet both the minimum qualifications of the position applied for and school head assessment requirement; and
- b. **Disqualified (DQ)** refers to those who do not meet the minimum qualifications of the position applied for and/or school head assessment requirement.

15. The HRMO may consult or seek the advice of the HRMPSB in exceptional cases wherein the HRMO perceives the need for a collegial decision such as but not limited to the relevance of the applicants' education, training, or experience to the position applied for; provided that the HRMO maintains and assumes full responsibility and accountability of the final results of the initial evaluation.

16. A copy of the IER shall be posted by the HRMO in at least three (3) conspicuous physical places, concealing the applicants' personal information in accordance with the RA 10173 or the 'Data Privacy Act' and its IRR, and other related issuances of the National Privacy Commission. The only information that shall be made public are the application codes, qualifications of the applicants in terms of *Education, Training, Experience, Eligibility, Competency (if applicable)²⁵, and School Head Assessment*, and remark on whether *Qualified* or *Disqualified*.

17. The HRMO shall likewise notify all applicants of the results of the initial evaluation through a written notice served through official communication channels, such as but not limited to, personal service, postal mail, courier service, or electronic mail using the official e-mail account of the office, official social media accounts, and other means of communication that can be verified, recorded, and preserved. Telephone calls and short messaging services may be used only to accompany the aforementioned official communication channels.

Official communications to *Qualified* and *Disqualified* applicants shall use the prescribed templates attached in this Order as Notice to Qualified Applicants (*Annex E-3*) and Letter to Disqualified Applicants (*Annex F-3*), respectively.

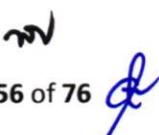

18. Based on the recommendation of the HRMO, the SDS may designate sub-committee/s in the districts, or SDO, as deemed practicable, to assist the HRMO in the conduct of initial evaluation. The sub-committee/s, however, shall only serve as an assistorial body. The HRMO shall maintain full responsibility and accountability in the results of the initial evaluation, and therefore, shall be responsible in responding to queries and complaints pertaining to the initial evaluation vis-à-vis the QS and School Head Assessment requirement.

E. Comparative Assessment of Applicants

19. Upon receipt of the report of the HRMO on the IER, the HRMPSB shall convene and screen the *Qualified* applicants through the conduct of Evaluative Assessments, which based on the principles of merit and fitness, are meant to assess the competencies of applicants vis-à-vis the required competencies of the position applied for. The deliberation of the HRMPSB shall not be made earlier than 10 calendar days reckoned from the date indicated in the SDO Memorandum or Call for Applications.

20. Consistent with the provision of Section 90 of DO 19, s. 2022, a special HRMPSB for all school principal positions with the following composition shall be created:

²⁵ Applicable only upon issuance of a CSC Resolution that includes the Competency component in the QS. Otherwise, the existing QS which are composed of Education, Experience, Training, Eligibility components shall suffice and remain in effect

Representative of accredited employee's union/association belonging to the school heads group

21. The HRMPSB Chairperson or the Assistant Schools Division Superintendent (ASDS) shall oversee and manage the entire assessment process.

22. During the comparative assessment, HRMPSB shall observe the following:

- a. Convene the applicants in a group to witness the paper evaluation;
- b. Evaluate and compute the points for Education, Training (in hours), Experience (in years), and Performance Rating of applicants using the rubrics provided in this Enclosure;
- c. Assess, deliberate, and rate the applicants' qualifications and competencies in terms of Application of Education, Application of Learning and Development, and Outstanding Accomplishments using the rubrics and protocols provided in this Enclosure;
- d. Conduct other appropriate evaluative assessments, as may be necessary, such as but not limited to Written Examinations (WE), Behavioral Events Interview (BEI), and Skills or Work Sample Tests (S/WST) to assess the applicants' potential, characteristics or traits, and fitness (i.e., Job Fit, Location Fit, and Organizational Fit);
- e. Adopt the use of online platforms and other remote modalities and alternative strategies in the conduct of paper evaluation, classroom observation/demonstration teaching, administration of the tests and examinations, BEI, meetings and deliberations, among others, as may be necessary;
- f. Inform the individual applicant of the results of the deliberation using the RFSPP, wherein the applicant affixes their signature to signify their knowledge of and conformity to the process undertaken, and the points given to them;
- g. Secure a Certificate of Availability of Funds from the Budget Officer;
- h. Prepare and submit to the SDS the results of the comparative assessment for reclassification (i.e., rank list), highlighting the names of the candidates who can be accommodated for reclassification based on the available funds and established staffing parameters for School Principal positions; and
- i. Prepare and submit the Plantilla Allocation List (PAL) based on the CAREER as approved by the SDS.

23. A majority of the HRMPSB shall constitute a quorum, provided that the Chairperson is present.

24. An Open Ranking System shall be adopted to ensure transparency in the process and results of the comparative assessment wherein applicants or subset of applicants are present to witness the actual evaluation for which the scores of all applicants present thereat shall be disclosed to all attendees. Each applicant shall also be given an opportunity to ask questions and seek clarifications on the results of their individual assessment and acknowledge their individual results during the open ranking.

25. In the event when face-to-face conduct of the comparative assessment and/or open ranking is not feasible, the HRMPSB may adopt the use of online platforms and other remote modalities and alternative strategies, as deemed practicable and applicable, in the conduct of

open ranking, paper and portfolio evaluation, BEI, and other examinations, if any, and HRMPSB meetings and deliberations. Protocols and procedures on the adoption of remote modalities shall be detailed in the SDO Memorandum. Applicants may also be allowed to submit an electronic or scanned copy of their signed RFSPP.

26. Upon receipt of their individual results, applicants shall affix their signature on their RFSPP. The duly signed RFSPP shall serve as acknowledgement that the applicant has undergone the application and assessment process based on these guidelines and that the results of the individual assessment have been discussed with the concerned applicant. This acknowledgment shall not, in any case, preclude the applicant from filing a protest relative to their application.

27. The HRMPSB Secretariat shall document the process of comparative assessment using the Minutes of Deliberation (*see prescribed template in Annex H*). Appeals pertaining to the individual results as well as the HRMPSB's response, resolution, and action with respect to the appeal shall be reflected in the documentation.

28. Any issue on the comparative assessment shall be resolved by the HRMPSB prior to the finalization of the results (i.e., rank list). In the event that an applicant fails or refuses to sign the RFSPP, the official Minutes of Deliberations shall suffice to establish the integrity of the assessment process. Applicants with unsigned RFSPP shall not, in any case, cause the delay in the finalization of the results of the comparative assessment and shall not form part of the candidates for reclassification until the issue on the assessment has been resolved.

29. After the conduct of the comparative assessment, the HRMPSB shall establish the Comparative Assessment Results for Expanded Reclassification (CAReER) (*see prescribed template in Annex I-4*) and prepare the Plantilla Allocation List (PAL), for onward submission to the SDS.

A copy of the CAReER shall be posted by the HRMO in at least three (3) conspicuous physical places in DepEd offices and schools concerned, concealing the applicants' personal information in accordance with the Data Privacy Act. The only information that shall be made public are the assigned application codes, corresponding scores obtained by the applicant in each criterion, total scores, and remarks.

All applicants shall likewise be notified of the comparative assessment results through official communication channels, such as but not limited to formal written communications, electronic mail using the official e-mail account of the office, official social media accounts, and other means of communication that can be verified, recorded, and preserved. Telephone calls and short messaging services may be used only to accompany the aforementioned official communication channels.

30. Based on the recommendation of the HRMPSB, the SDS may designate sub-committee/s in the districts, or offices, as deemed practicable, to assist the HRMPSB in the process of comparative assessment.

The sub-committee/s, however, shall only serve as an assistorial body. The HRMPSB shall maintain full responsibility and accountability in the results of the comparative assessment, and therefore, shall be responsible in responding to queries and complaints pertaining to the comparative assessment.

32. The members of the sub-committee/s shall be selected from the pool of trained assessors who have undergone rigorous training, together with the HRMPSB, under the **Career Progression Assessors Program** and **RSP Capability Building Program**, which focused on the conduct of multiple evaluation techniques in assessing the required competencies based on the criteria, parameters, and protocols stipulated in this Enclosure. Assessors shall be selected based on following criteria:

Illustrative example:

Position applied for: **School Principal I (Secondary School) – SG 19**

Qualification Standards per CSC-approved QS

Education : Master's degree in Education, or Educational Management, or Educational Leadership; or Master's degree in relevant learning area with at least 9 units in Management

Training : 32 hours of training in any of or a cumulative of the following: Curriculum, Pedagogy, School Management and Operations, Instructional Leadership acquired within the last 5 years

Experience : 5 years teaching experience and 1-year relevant experience in any of the following: learning area coordination, subject area supervision, school management and operations, instructional supervision.

The date of HRMPSB assessment/Open Ranking System: September 20, 2025

- Based on the minimum QS of the position applied for, the HRMPSB shall determine the baseline level for computing the points for ETE using the Increments Table as shown in Table 2.a, 2.b, and 2.c.

Minimum requirement per CSC-approved Qualification Standards for School Principal I (Secondary School) – SG 19		Corresponding Level based on Increments Table
<i>Education</i>	<i>Master's degree in Education, or Educational Management, or Educational Leadership; or Master's degree in relevant learning area with at least 9 units in Management</i>	<i>Level 21 (based on Table 2.a)</i>
<i>Training</i>	<i>32 hours of training in any of or a cumulative of the following: Curriculum, Pedagogy, School Management and Operations, Instructional Leadership acquired within the last 5 years</i>	<i>Level 5 (based on Table 2.b)</i>
<i>Experience</i>	<i>5 years teaching experience and 1 year relevant experience in any of the following: learning area coordination, subject area supervision, school management and operations, instructional supervision.</i>	<i>Level 13 (based on Table 2.c)</i>

- After determining the baseline level, the HRMPSB shall compute for the increments of the applicant's actual qualifications based on the submitted documentary requirements. *Increment* shall refer to the difference between the applicant's actual qualification level and the corresponding level of the minimum (baseline) QS requirement of the position applied for.

Only qualifications that are relevant to the position applied for and which exceed the minimum (baseline) QS requirements of the position shall be given corresponding points in the computation of increments.

For current incumbents of School Principal positions who were promoted to such position prior to the issuance of the new QS per DO 19, s. 2025, their Experience qualification at the time of their promotion to School Principal such as '*Head Teacher for 1 year*' or '*Teacher-in-Charge for 2 years*' or '*Master Teacher for 2 years*' shall be deemed equivalent to '*Teacher for 5 years*' as indicated in the old CSC-approved QS. As such, in the determination of baseline level, said incumbents shall be considered meeting the required '*five (5) years teaching experience*' in the new CSC-approved QS.

Illustrative example:

Computation of increments based on actual Education qualification of Applicant A:

Education Qualification of Applicant A	Increments from minimum (or baseline) QS requirements using Increments Table 2.a (Education)
<p>Master's Degree in Education <i>Doctor of Philosophy in Education (PhD)</i></p>	<p>Using Table 2.a, the corresponding level of Applicant A's Education qualification (<i>Doctor of Philosophy in Education</i>) is at Level 31.</p> <p>The number of increments for Applicant A's Education qualifications shall be computed by subtracting the minimum QS level (Level 21) from the applicant's qualification level (Level 31), as illustrated below:</p> $\text{Applicant's Educ level} - \text{QS level} = \text{Increment}$ $31 - 21 = 10 \text{ increments}$

Computation of Increments based on actual Training qualification of Applicant A:

However, the "National Assembly of Education: Hold It in Trust: Leading in the Time of Industry" will not be credited for the computation of increments since it was earned more than 5 years from the date of HRMPSB Assessment. Applicant A's cumulative hours of relevant training/L&D shall be 168 hours. Using Table 2.b, the corresponding level of Applicant A's Training qualification (168 hours) is at Level 21.</p> <p>The number of increments for Applicant A's Training qualifications shall be computed by subtracting the minimum QS level (Level 5) from the applicant's qualification level (Level 21), as illustrated below:</p> $\text{Applicant's Training level} - \text{QS level} = \text{Increment}$ $21 - 5 = 16 \text{ increments}$ <p>Note: Applicant A's last promotion as Master Teacher I: August 03, 2020 The date of HRMPSB assessment/Open Ranking: September 20, 2025</p>

Teacher I to III (from September 10, 2003 to March 4, 2013) is 9 years and 6 months <p>Using Table 2.c, the corresponding level of Applicant A's Experience qualification (20 years and 9 months) is at Level 21.</p> <p>The number of increments for Applicant A's Experience qualifications shall be computed by subtracting the minimum QS level of 1 year as Head Teacher (Level 3) from the applicant's qualification level (Level 14), as illustrated below:</p> $\text{Applicant's Experience level} - \text{QS level} = \text{Increment}$ $31 - 13 = 18 \text{ increments}$

- c. After computing the number of increments from the minimum (baseline) QS requirement, the corresponding points earned by the applicant for ETE shall be determined using Table 3 (*Rubrics for Computation of Points for Education, Training, and Experience*).

Illustrative example:

Using the applicable rubrics for the School Administration as shown in Table 3 and based on the number of increments earned by Applicant A, the computation of points for ETE is as follows:

- d. Meeting the minimum (baseline) QS requirements for Education, Training, and Experience shall be given zero (0) points.
- e. The following general guidelines shall be observed in giving corresponding points to relevant Education, Training, and Experience qualifications:
- Education units and/or degrees in multiple or different majors may be given corresponding points on a cumulative basis; provided, that the units and/or degrees earned are relevant to the position applied for; provided further, that the subjects completed are not duplicated.
 - Consistent with the provisions of the CSC ORAOHRA, units and/or degrees of Doctor of Medicine from a CHED-recognized institution may be considered master's units and/or degree for purposes of giving points, except for positions that involve practice of profession covered by board laws.
 - Consistent with Legal Education Board (LEB) Resolution No. 406, s. 2019, Bachelor of Laws (LLB.) or Juris Doctor (J.D.) units and/or degree earned from law schools recognized or supervised by the LEB and its predecessor regulatory agencies shall be considered as equivalent to professional doctorate units/degrees in other non-law academic disciplines for purposes of giving points. Such equivalency does not apply to positions that require the practice of a regulated profession governed by board laws, and it shall not be used to

meet the minimum qualification standards in Education for teaching and school principal positions. This policy remains subject to any clarificatory guidelines as may be subsequently issued by the LEB.

- iv. Relevant training hours earned from digital/virtual/online learning may be considered, subject to the conditions prescribed in CSC Memorandum Circular (MC) No. 3, s. 2021 (*General Guidelines on Digital/Online Learning in the Public Sector*).

- f. Applicable provisions under Rule VIII Part I to IV of the CSC ORAOHRA shall apply in the appreciation of relevant Education, Training, and Experience qualifications and giving of points to ETE credentials.

34. **Performance.** Performance refers to the assessment of how tasks, duties, and responsibilities are carried out or accomplished by the applicant as evidenced by performance rating document or other means of verification. The performance rating obtained in the current or previous position that is relevant to the position applied for shall be used for purposes of giving points for performance.

$$\text{Points (Performance)} = x/5 * \text{WA(Performance)}$$

Where:

x = Performance Rating

5 = Highest Possible PR in DepEd RPMS

WA = Weight Allocation for Performance

(25 points)

Illustrative example:

Vacant Position:

School Principal I – SG 19

x = 4.356

WA = 25

$$\text{Points (Performance)} = 4.356/5 * 25 = 21.78$$

The performance rating required for applicants for reclassification shall be the rating derived from the Performance Management and Evaluation System (PMES) Individual Performance Commitment and Review Form (IPCRF) or School's Office Performance Commitment and Review Form (OPCRF), whichever is applicable, obtained from the applicant's current or previous position that is relevant to the position applied for.

However, as a mandatory requirement, a performance rating of at least Very Satisfactory (VS) in the last rating period prior to the date of assessment or screening shall be required.

An official or employee who is on official leave of absence, for reasons such as maternity leave, local or foreign scholarship, training grant, or other CSC-authorized official leaves, may be considered for promotion through reclassification. In such cases, a performance rating in the last rating period prior to the leave of absence shall be required.

The performance rating prior to the reclassification of the position shall be considered as performance rating in the reclassified position for purposes of promotion, if applicable.

35. Outstanding Accomplishments. Higher premium shall be given to an application of education or intervention made by the applicant that is relevant and applicable to the position applied for.

Relevant intervention is described as the intervention that is directly applicable to the functional unit where the position applied for is lodged. An intervention is described to be *applicable* if it can be used in the operations of the functional unit based on its office mandates in the official DepEd Office Functions or Office Orders for the creation of the functional unit.

38. Potential. Potential refers to the capacity and ability of an applicant to assume the duties and responsibilities of the position applied for, and those higher positions that are more technical in nature. It may be measured through any or all of the following:

Component	Points(Potential)	
	Appointment to School Principal I position	Appointment to Higher School Principal positions
Written Examinations (WE)	10 points	5 points
Behavioral Events Interview (BEI)	5 points	10 points

- a. **Written Examination** refers to the standardized examination which measures the knowledge, language proficiency, ability to present ideas, judgment and leadership ability of the applicant. The test and evaluation rubrics appropriate to the school administration positions must be developed by subject matter experts as requested by the HRMPSB. *Subject matter experts* refer to individuals internal or external to the school where the vacancy exists, or to the Department, those who have working knowledge of the specific competencies required by the position applied for.

For **higher School Principal** positions, the HRMPSB or subject matter experts as may be requested by the HRMPSB shall develop a written examination which shall be the basis for scoring the component on Written Examination (5 points).

$$\text{Points}_{(WE)} = x / TI * WA_{(WE)}$$

Where:

x = Raw score/rating in written examination

TI = Total number of test items or highest possible score

WA = Weight Allocation for WE

Illustrative example:

Position:

School Principal II – SG 20

x = 85 (raw score from the SDO-developed written exam)

TI = 100

WA = 5

$$\text{Points}_{(WE)} = 85 / 100 * 5 = 4.25$$

For **School Principal I** position, the applicant's score in the NQESH, Principal's Test, or a similar standardized examination administered by DepEd shall be the basis for scoring the component on Written Examination (10 points).

For examinations that use percentage score (e.g., FY 2021 NQESH), rather than the numerical/raw score, as reflected in the official COR of passers, the Written Examination component of the comparative assessment for School Principal I shall be computed by multiplying the percentage score by the Weight Allocation (*WA*), as illustrated below:

$$\text{Points}_{(WE)} = X_{NQESH} * WA_{(WE)}$$

Where:

X_{NQESH} = NQESH percentage score

WA = Weight Allocation for WE

Illustrative example:

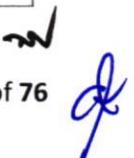

Vacant position:

School Principal I – SG 19

X_{NQESH} = 82.5 (NQESH percentage score)

WA = 10

$$\text{Points}_{(WE)} = 82.5 * 10 = 8.25$$

- b. **Behavioral Events Interview (BEI)** refers to the conduct of direct inquiry with the applicant, focusing on their display of desired behavior/s when subjected to specific situations or conditions in their previous and/or current workplace. BEI is based on the principle that past behavior predicts future performance. It uses the STAR approach to validate whether the key behaviors that are linked to the required competencies have been exhibited by the applicant. The STAR approach draws focus on actual **Situations** in which the applicant acted; the **Task/s** that the applicant faced; the **Actions** that the applicant took; and the **Results** of those actions.

The BEI may be used to assess the following areas:

- i. *Aptitude.* The BEI shall be used to assess the applicant's potential or their capacity and ability to assume the duties of the position applied for and those higher positions that are more technical in nature.
- ii. *Characteristics or traits.* It shall be used to gauge other relevant aspects such as the applicant's psychological and social well-being.
- iii. *Fitness.* It shall serve as an avenue to evaluate an applicant's Job Fit, Location Fit, and Organizational Fit.
- iv. *Other areas that may be identified by the HRMPSB.*

The points allocated for BEI component (*5 points for School Principal I and 10 points for higher positions*) shall be the maximum or ceiling points that may be earned by an applicant. The points earned from each area are cumulative to determine the total points for BEI component. The HRMPSB shall determine the appropriate areas relevant to the position applied for and assign points to each area not exceeding the maximum or ceiling points for BEI.

F. Comparative Assessment Results for Expanded Reclassification (CAReER)

39. After a judicious and objective assessment of the qualified candidates, the HRMPSB shall prepare two (2) sets of the CAReER for each school principal position in accordance with Items 40 and 41 of this Enclosure within seven (7) calendar days after all the applicants have been assessed.

46. All candidates who may not be accommodated for reclassification are not precluded from applying to any vacant position, subject to applicable RSA Guidelines.

Should they opt to apply to an equivalent vacant school principal position, candidates shall be allowed to carry over their CAReER scores and/or update their credentials without having to undergo the entire assessment process; provided, they submit a Letter of Intent and updated performance ratings compliant with the performance requirements of the position applied for.

47. Queries and/or clarifications of the applicants pertaining to the process and result of the comparative assessment shall be lodged to the HRMPSB within five (5) calendar days from the date of posting of the CAReER; and shall be responded to, in writing, by the HRMPSB within three (3) to seven (7) calendar days upon receipt of the query and/or clarification.
